- It shall be each bowler's responsibility to verify the accuracy of her average in handicap or classified tournaments, whether originally submitted by bowler, her team captain, or others. - Average verifications will be required for any score in the money. Verification forms will be furnished at the time of bowling, and must be returned within 10 days of that date. Any verification not returned within the required 10 day period will subject the bowler to disqualification and forfeiture of all entry fees and prize winnings.
- A bowler who has qualified for a prize of \$300.00 or more in any event in a tournament within the previous 12 month period (even if the prize payment has not been made) must report in writing on the entry blank her actual score, position and amount won to the tournament management at time of bowling in a handicap or classified tournament, for possible re-rating.
